ICFP 2017

OXFORD

International Conference on
Functional Programming

Mathematical Institute, University of Oxford
4th – 6th September 2017

Co-located Events
3rd – 9th September 2017

Deadlines
ICFP paper submission: 27th February 2017
Early registration: August 2017

conf.researchr.org/home/icfp-2017

ICFP 2017

Committee

General Chair:
Jeremy Gibbons (University of Oxford)

Programme Chair:
Mark Jones (Portland State University)

Workshops Co-Chairs:
Andres Löh (Well-Typed), David Christiansen (Indiana University)

Programming Contest:
Laboratory for Foundations of Computer Science (University of Edinburgh)

Industrial Relations:
Ryan Trinkle (Obsidian Systems)

Publicity:
Lindsey Kuper (Intel Labs)

Video Chair:
José Calderón (Galois)

Student Research Competition:
Ilya Sergey (University College London)

Programming Languages Mentoring Workshop:
Neel Krishnaswami (University of Cambridge), Dan Licata (Wesleyan University) and **Brigitte Pientka (McGill University)**

Co-located with the Second International Conference on Formal Structures for Computation and Deduction, http://www.cs.ox.ac.uk/conferences/fscd2017/
